### REMNANTS — REMNANTS

Wash Goods or Woolen Goods

Hundreds of them are here, piled up on two tables for your selection, at less than half price.

It's strange how remnants will accumulate during sales, and it's also surprising how much you can buy for such a small amount, and how prettily you can turn out these remnants into beautiful little garments with very little work. Just a snip or two of the shears, a few stitches, and that bit of remnant becomes a new frock for the little one or a dress for the grown ups.

Remember Saturday is Remnant Day, and you can buy them on that day at half price.
